The screenshot shows the Microsoft Teams application interface. At the top, there's a navigation bar with the Teams logo, a search bar containing "Search platform...", and user avatars. Below the navigation bar, a sidebar on the left lists various categories with member counts: All (150), # education (31), # entrepreneurship (30), # sustainable production (24), # Sustainability (22), # Environment (21), # Healthcare (19), # Agriculture (16), # Community Development (16), # Food (15), # Health (14), and # Education (13). An "Explore" button is visible next to the category list.

The main area displays a grid of project cards. The first row includes:

- Paylend**: Microcredits solution, 7 members.
- Genesis**: Equipping tomorrow's leaders with essential school needs to change the world., 8 members.
- DayDone**: Agric eCommerce platform that brings farm produce and experience(using data) to the doorstep and fingertips of every consumer, 6 members.
- CHRONmate**: Fighting chronic diseases in vulnerable regions through an integrated tech platform echnology, 8 members.

A modal window for **VHEcosystem** is overlaid on the grid. It features an illustration of a hospital interior with a patient bed and medical equipment. The text reads:

VHEcosystem

Virtual Hospital Ecosystem is a multi-service ecosystem of digital healthcare by providing an intelligent platform including Telemedicine, Device and Inventory Management of a network of connected IoT medical devices installed at home that promotes easy access for hospitalized patients, physicians and medical enterprises.

"Exceptional Care, Exceptional Technology"

"Towards an innovative ecosystem of digital health in Africa"

At the bottom of the modal, there are three buttons: "Don't show this window again", "Continue to feed", and "Follow this team".
